On Line Check In:

Adams 12 Five Star Schools has moved to a new online check-in process for returning high school students starting fall 2016. The new process will allow families to check in returning students via the Infinite Campus parent portal. Parents with multiple high school children will only have to check in once per household. To check in returning high school students electronically, parents must have an Infinite Campus parent portal account. Visit www.adams12.org and click on the "Infinite Campus" button to get started. For assistance, call the IT Service Desk at (720) 972-4120. If you are checking in after August 7 please contact Northglenn High School at (720) 972-4621.
